In April 2019, Alice and Nahum Lainer School will conduct a March of the Living program for adults. This journey begins in Poland after Passover and will be accompanied by a renowned Holocaust scholar and Rabbi Nicole Guzik. This transformative experience for adults features an enriched itinerary in Poland. The adult group travels to sites of historical and contemporary interest in Poland, and experiences Yom HaShoah (Holocaust Remembrance Day) on a “March of the Living” from Auschwitz to Birkenau alongside thousands of teens, adults and Holocaust survivors. This journey sheds light on Jewish life in Poland before and during the Holocaust as well as Jewish life in Poland today. The March of the Living is a unique program that honors, commemorates and explores the past, present, and future of the Jewish people. You can be there in April 2019, along with 10,000 other participants from around the world to march in remembrance and hope.
