

Life Adjustments & Transitions:
**A Forum For Women Experiencing
Separation & Divorce**

Wednesday, June 27, 2018 at 7:30 p.m.

Private Residence in Beverly Hills

A brand new initiative of Sinai Temple Sisterhood, led by Rabbi Nicole Guzik, *Life Adjustments & Transitions* provides a safe, welcoming space for women with shared experiences to support one another. For our inaugural session, we invite women of our community going through marital separation and/or divorce to come together and seek solace, counsel and SISTERHOOD.

Join us for wine and cheese, learn about Sisterhood, and connect with those who may be experiencing challenges that are similar to yours.
